

# BOSAVERN COMMUNITY FARM

## Help us to get the farm clucking

*Sponsor a chicken for the poultry sum of £6!*

This project is our chance as a community to create something outstanding  
- by ourselves, for ourselves.

Through providing vegetable boxes and eggs Bosavern Community Farm will give us all a chance to get 'stuck in' and teach future generations where our food comes from and how to grow it. We aim to have an education centre which will be open to all members of our community including local schools so that our work will have a lasting impact.

However, all of this is dependent on raising enough money to get the farm working, so your support is highly valued.

**One way to help us achieve this, is sponsoring a chicken for the poultry sum of £6.**

In return will be sent a personalised certificate showing that you have sponsored a chicken; you'll be entered into the Donor Record Book as thanks for helping the farm; you will receive our newsletter; and will also be sent invites to our "egg-travaganza" days for all our chicken sponsors.
